

Mid-Atlantic Youth Services

OVERVIEW

The mission of Mid-Atlantic Youth Services, Corp. is to provide high-quality healthcare, education, and treatment services to youth in the community through supportive partnerships. They accomplish this mission by providing a safe, nurturing, and structured environment that promotes positive changes in the health and well-being of youth, allowing them to return to their communities while remaining alcohol, drug, and crime free.

CHALLENGES

Mid-Atlantic Youth Services needed help controlling claims and creating a culture of safety. They started with Synergy in 2011. The corporation was facing a rising mod, increasing claims and spiking workers' compensation premium costs.

SOLUTIONS

Synergy came in and worked directly with managers to create a culture of safety. Through safety assessments, training, and routine visits, the team is safer and more productive.

RESULTS

- 67% decrease in incurred
- 58% decrease in average claim cost
- 34% decrease in experience mod
- 100% commitment to transitional return to work

At the end of the day, we have a safer working environment. Our employees feel safer, our clients feel safer and ultimately it saves us a lot of resources - time, money and effort.
