MID-ATLANTIC YOUTH SERVICES

The mission of Mid-Atlantic Youth Services, Corp. is to provide high-quality healthcare, education, and treatment services to youth in the community through supportive partnerships. They accomplish this mission by providing a safe, nurturing, and structured environment that promotes positive changes in the health and well-being of youth, allowing them to return to their communities while remaining alcohol, drug, and crime free.

BEFORE SYNERGY COMP

Mid-Atlantic Youth Services needed help controlling claims and creating a culture of safety. They started with Synergy in 2011. The corporation was facing a rising mod, increasing claims and spiking workers' compensation premium costs.

WITH SYNERGY COMP

Synergy came in and worked directly with managers to create a culture of safety. Through safety assessments, training, and routine visits, the team is safer and more productive.

TIM MCCAULEY
HR MANAGER

Mid-Atlantic
Youth Services

"My working relationship with Synergy and SOS Consulting is fantastic. When we have a situation inside our facility, the process is consistent, attentive and in my opinion, world-class service. At the end of the day, we have a safer working environment. Our employees feel safer, our clients feel safer and ultimately it saves us a lot of resources - time, money and effort. "
